

Catch::CompositeGenerator::add

```
graph LR; A[Catch::CompositeGenerator::add] --> B[Catch::IGenerator::size]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'Catch::CompositeGenerator::add'. The right box has a white fill and a black border, containing the text 'Catch::IGenerator::size'. A dark blue arrow points from the right side of the left box to the left side of the right box.

Catch::IGenerator::size
